HAIR CARE & SKIN CARE PRODUCTS

Elite & Elegant

Brand Philosophy

Our brand philosophy is based on 3 Principles:

Keep Skin Healthier: eSence products are elite and elegant that combine science and nature provide a range of unique, vibrant products which give you the healthiest balanced and fresh skin.

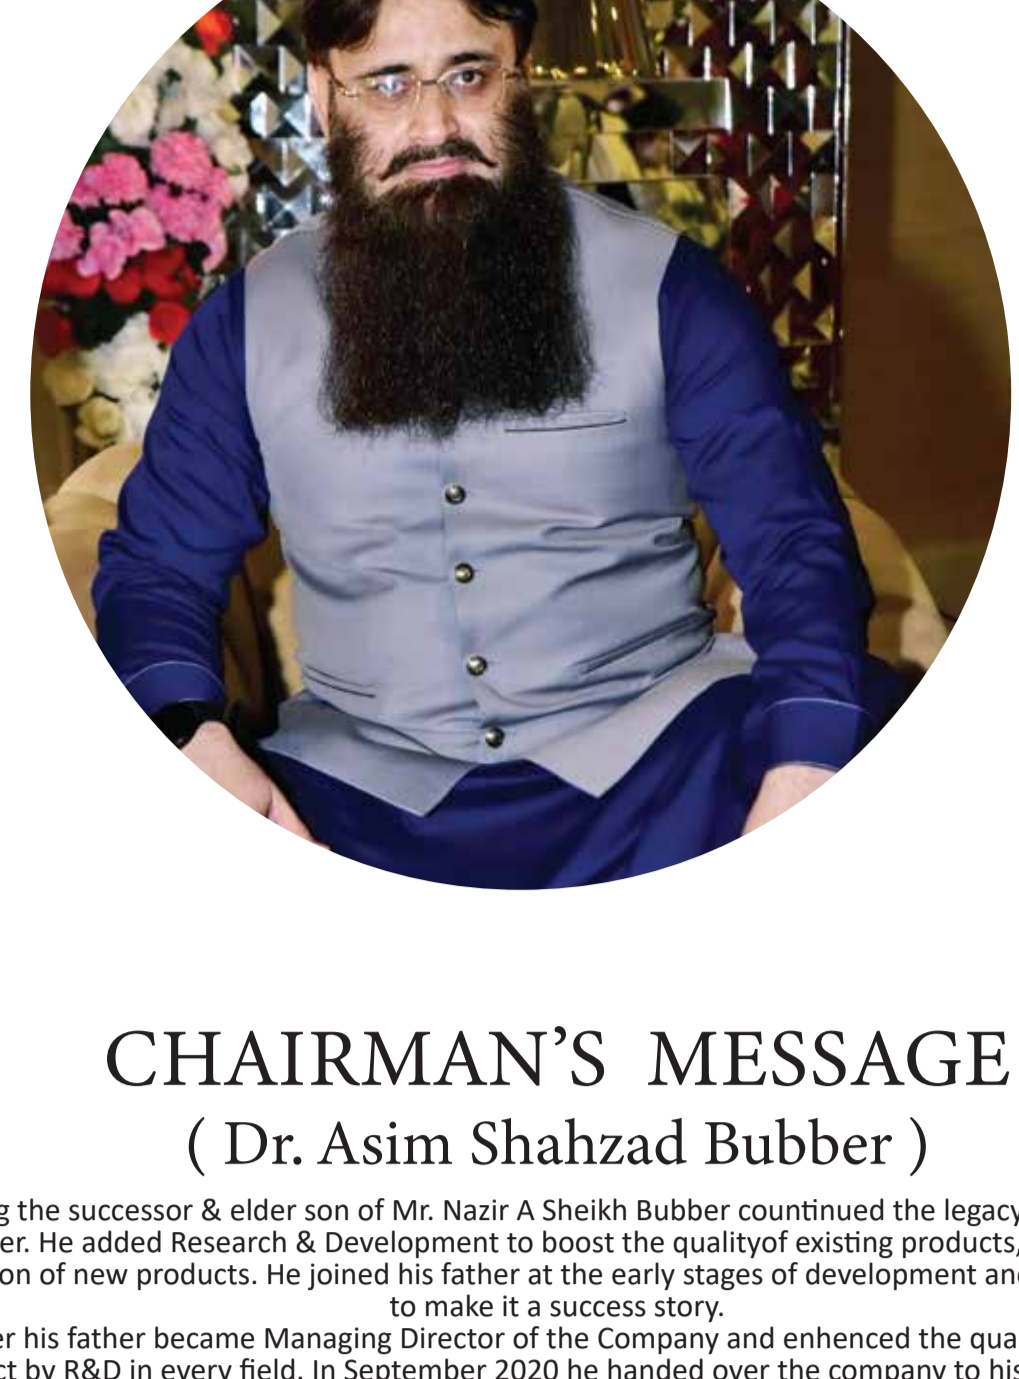

Take care Consumer's desires: We create a product by focusing on the requirements of consumers. We take care of all kinds of skin types as well as rich experience highly expertise to control hair problems with love you get confidence. Avail a fresh and vibrant look forever.

Who is transparent and ethical: Transparency of ingredients, effectiveness, and authenticity are call to show beauty. You're born an ethical and transparent personality. So feel free mentally, spiritually, and physically.

CHAIRMAN'S MESSAGE

(Dr. Asim Shahzad Bubber)

Being the successor & elder son of Mr. Nazir A Sheikh Zabbar continued the legacy of his great father. He added Research & Development to boost the quality of existing products, along with invention of new products. He joined his father at the early stages of development and worked hard to make it a success story.

After his father became Managing Director of the Company and enhanced the quality of every product by R&D in every field. In September 2020 he handed over the company to his brothers and started this new company by the name "Elite & Elegant International". Every product of this new company is carrying his 31 years experience & professional skills & abilities. This will give new trend to modern cosmetics products.

OUR MISSION

To build a global brand that is committed to enhancing the natural beauty of women and men by always providing the best products and services worldwide.

OUR VISION

We aim to create and provide healthy and effective skin care products that are designed to treat, rejuvenate, and improve the overall skin and enhance our customer's looks, as well as improve the overall lifestyles of our customers by helping them look better, feel and regaining their confidence.
